Spoke with the Captain, Hall has been out of control and harming himself and the sprinklers. They lock him down and give him time to eat, and pee while under constant supervision. They are working on moving him to Central Prison

Sheriff and Chief,

I just wanted to let you know that Steven Douglas Hall is currently in the drunk tank. I noticed Hall was in there screaming and yelling when Deputy Daniels and myself was serving a warrant around 9:23p.m. on 07/07/17 Officer Bohannon told me that Hall was chained to the drain in the holding cell and he was naked. I did not ask why Hall was chained to the drain but did not see where it was fair to him due to the fact I was not sure if he could use the bathroom. On 07/08/17 around 4 a.m. I was assisting Deputy Stiles with charges and Hall was still naked with his jump suit down to his ankles and still chained to the drain in the drunk tank. Hall was screaming for help and not one Detention Officer went and checked on him. As I was walking out to my car I noticed Hall leaned on the side of the bench still chained to the drain in the floor.

I do not know if what they are doing is legal or illegal but it was just a concern to me
